Important School Announcement
Update on Further Deferral of Class Resumption

Monday 23rd March 2020

Dear parents,

In view of the latest situation of the epidemic (the WHO has formally named the virus COVID-19), the Education Bureau (EDB) has further announced that all schools need to be further suspended, until further notice. Please note therefore that our school will suspend all classes (including extracurricular classes) until further notice. We strongly appeal to our parents to keep your children safely at home during this time, to avoid crowded places / group gatherings and to pay close attention to the health conditions of the entire family.

Thank you for your kind attention to these matters.
