Music Kingdom Summer Camp

“Where children learn the art of listening.”

Music Kingdom was founded in 2005 and is committed to the development of fun music education for children. Professional music tutors strive to strengthen children's multiple intelligences through musical instruments and songs. This summer, Music Kingdom provides two courses for our students to better prepare them for the Early Learning Music Certificate (brought to us by London College of Music).

Course H1 (2-4 years old)

Students will work carefully and creatively towards the London College of Music Early Learning Music Certificate. Encouragement and guidance is given in all aspects of music through the activity approach as students prepare for the exam. Training is provided in singing, rhythm, slogans, musical concepts and theory and musical instruments.

New-comers to Music Kingdom courses should also pay the music bag fee of HK\$50 ☺

Course H2 (4 years and up)

Students will work diligently towards the London College of Music Early Learning Music Certificate (solo course). Training will be provided in voice opening, pitch and ear training and rhythm and chorus skills. Students will also be introduced to different types of musical instruments. This course will also provide the necessary arrangements to allow students to join other competitions such as Hong Kong School Music Festival.
